Dear Educator,

I am excited to announce that I will host my first Youth Leadership Summit this year at Washington State University, Vancouver, WA on April 11, 2015. I would like to invite a select group of student from your high school's Junior and Senior classes to participate in this year's Summit. You may nominate this group of students to proudly represent your school and Southwest Washington.

At the summit, students will witness a number of presentations by individuals who have strived for excellence in their life and have inspiring stories to share. They will also have the opportunity to hear from panelist on life after high school, a panel that will show students some of the various opportunities available to them as they navigate post high school life. Another panel will inspire students to recognize their potential to change the world by hearing from leaders who are doing social good to impact the world and their communities. During lunch students will have the opportunity to connect with one another and take a hands on approach to the ideas and skills they are learning throughout the day.

Lunch will be provided for the students and staff. We request that schools nominate no more than three students and that a staff member be present with the students. Registration is to be completed by March 18, 2016.

To register please go to JHB.House.Gov/YouthLeadershipSummit. For any questions please contact Terassa Wren at 202-225-3536 or Terassa.Wren@mail.house.gov

I look forward to spending a day of inspiration, listening to exciting speakers with your students.

Sincerely,

Jaime Herrera Beutler
Member of Congress
